

REPORTE DE AUTOMATIZACIÓN

Fecha de ejecución: 27/11/2025 11:42:10

ESCENARIO: Registro exitoso de usuario con datos válidos

Paso 1: que el usuario está en la página de registro

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. In the 'Your Personal Details' section, the 'Gender' field has a radio button selected for 'Male'. Other fields like First name, Last name, Email, and Password are also present.

Paso 2: el usuario hace clic en el radio "Male"

[PASSED]

This screenshot is identical to the one above, showing the registration form on the Demo Web Shop website. The 'Gender' field now has a checked radio button for 'Male', indicating the user has interacted with it.

Paso 3: el usuario ingresa su nombre "Juan"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. In the 'First name' field, the value 'Juan' is entered. The rest of the fields (Last name, Email, Password, Confirm password) are empty or have placeholder text.

Paso 4: el usuario ingresa su apellido "Perez"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. In the 'Last name' field, the value 'Perez' is entered. The rest of the fields (First name, Email, Password, Confirm password) are empty or have placeholder text.

Paso 5: el usuario ingresa el correo "juan.perez50@test.com"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. In the 'Email' field, the value 'juan.perez50@test.com' is entered. The rest of the fields (First name, Last name, Password, Confirm password) are empty or have placeholder text.

Paso 6: ingresa la contraseña "Segura123!"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. The 'Your Password' field contains the text 'Segura123!'. Other fields include First name: Juan, Last name: Perez, Email: juan.perez50@test.com, and two password confirmation fields.

Paso 7: confirma la contraseña "Segura123!"

[PASSED]

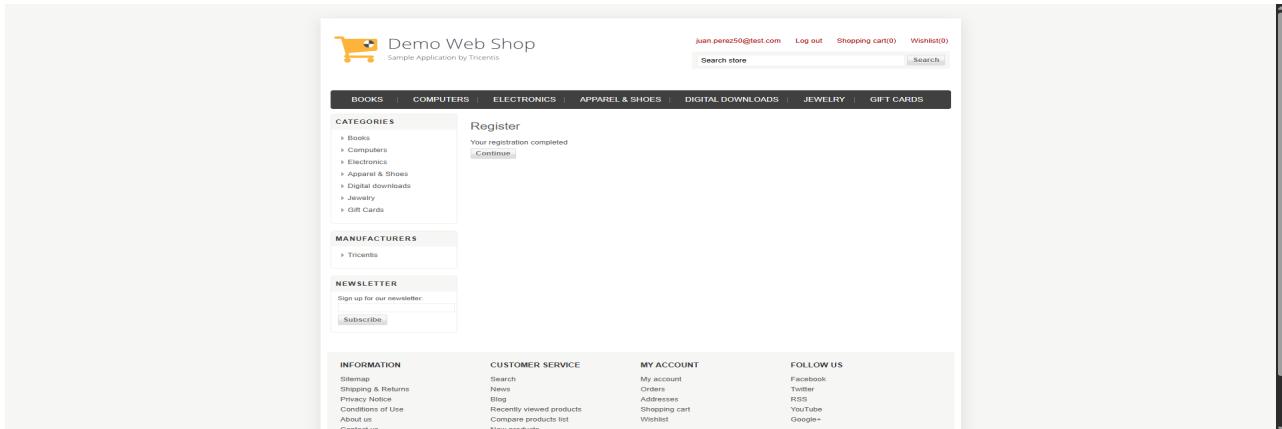

The screenshot shows the registration form on the Demo Web Shop website. Both the 'Your Password' and 'Confirm password' fields contain the text 'Segura123!'. Other fields include First name: Juan, Last name: Perez, Email: juan.perez50@test.com.

Paso 8: hace clic en el botón Registrar

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. A message 'Your registration completed' is displayed above the 'Continue' button. Other fields include First name: Juan, Last name: Perez, Email: juan.perez50@test.com.

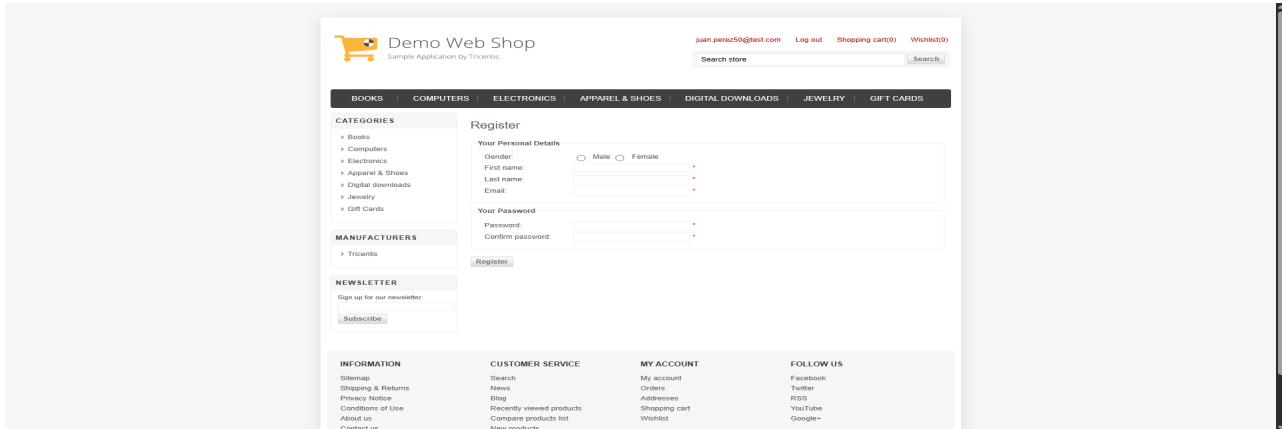

Paso 9: debería ver un mensaje de éxito "Your registration completed" **[PASSED]**

ESCENARIO: Fallo al registrar con correos

Paso 1: que el usuario está en la página de registro

[PASSED]

Paso 2: el usuario hace clic en el radio "Female"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. In the 'Your Personal Details' section, the 'Gender' field has 'Male' selected by default. A radio button for 'Female' is checked. Other fields include 'First name' (juan), 'Last name' (perez), and 'Email' (juan.perez50@test.com). Below the form is a 'Register' button.

Paso 3: el usuario ingresa su nombre "Maria"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. In the 'Your Personal Details' section, the 'First name' field contains the value 'Maria'. The 'Last name' field is empty. Other fields include 'Email' (juan.perez50@test.com) and 'Password' (password). Below the form is a 'Register' button.

Paso 4: el usuario ingresa su apellido "Lopez"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. In the 'Your Personal Details' section, the 'Last name' field contains the value 'Lopez'. The 'First name' field contains 'Maria'. Other fields include 'Email' (juan.perez50@test.com) and 'Password' (password). Below the form is a 'Register' button.

Paso 5: el usuario ingresa el correo "correo-sin-arroba.com"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. The user has entered 'correo-sin-arroba.com' in the Email field. A red asterisk next to the field indicates it is required. Below the field, an error message 'Wrong email' is displayed.

Paso 6: ingresa la contraseña "Pass1234"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. The user has entered 'Pass1234' in both the Password and Confirm password fields. There are no visible errors at this stage.

Paso 7: confirma la contraseña "Pass1234"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. Both the Password and Confirm password fields contain 'Pass1234'. The 'Wrong email' error message from the previous step is still present below the Email field.

Paso 8: hace clic en el botón Registrar

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. The user has entered 'Maria' as the first name, 'Lopez' as the last name, and 'correo-sin-arroba.com' as the email address. A red validation message 'Wrong email!' is displayed next to the email input field. The rest of the form fields are filled correctly: gender (Female), password ('password'), and confirm password ('password'). The 'Register' button is visible at the bottom of the form.

Paso 9: debería ver un error de formato en el correo "Wrong email"

[PASSED]

This screenshot is identical to the one above, showing the registration form on the Demo Web Shop website. The user has entered 'Maria' as the first name, 'Lopez' as the last name, and 'correo-sin-arroba.com' as the email address. A red validation message 'Wrong email!' is displayed next to the email input field. The rest of the form fields are filled correctly: gender (Female), password ('password'), and confirm password ('password'). The 'Register' button is visible at the bottom of the form.

ESCENARIO: Fallo cuando las contraseñas no coinciden

Paso 1: que el usuario está en la página de registro

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. The form is titled 'Register' and contains fields for 'Your Personal Details' (Gender, First name, Last name, Email), 'Your Password' (Password, Confirm password), and a 'Newsletter' sign-up section. On the left sidebar, there are 'CATEGORIES' like Books, Computers, Electronics, Apparel & Shoes, etc., and a 'MANUFACTURERS' section for Tricentis. At the bottom, there are links for 'INFORMATION' such as Sitemap, Shipping & Returns, Privacy Notice, Conditions of Use, About us, and Contact us. The right sidebar includes sections for 'CUSTOMER SERVICE' (Search, News, Blog, Recently viewed products, Compare products list, New products), 'MY ACCOUNT' (My account, Orders, Addresses, Shopping cart, Wishlist), and 'FOLLOW US' (Facebook, Twitter, RSS, YouTube, Google+).

Paso 2: el usuario hace clic en el radio "Male"

[PASSED]

This screenshot is identical to the previous one, showing the registration form on the Demo Web Shop website. The difference is that the 'Male' radio button in the 'Your Personal Details' section is now checked, while the 'Female' option is unchecked.

Paso 3: el usuario ingresa su nombre "Carlos"

[PASSED]

This screenshot shows the registration form after the user has entered 'Carlos' in the 'First name' field. The 'Male' radio button remains selected. The rest of the form and the website's layout are consistent with the previous screenshots.

Paso 4: el usuario ingresa su apellido "Ruiz"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. In the 'Last name' field, the user has typed 'Ruiz'. The rest of the fields (First name, Email, Password, Confirm password) are empty or have placeholder text.

Paso 5: el usuario ingresa el correo "carlos1@test.com"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. In the 'Email' field, the user has typed 'carlos1@test.com'. The rest of the fields (First name, Last name, Password, Confirm password) are empty or have placeholder text.

Paso 6: ingresa la contraseña "Clave123"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. In the 'Password' field, the user has typed 'Clave123'. The 'Confirm password' field also contains 'Clave123'. The rest of the fields (First name, Last name, Email) are empty or have placeholder text.

Paso 7: confirma la contraseña "ClaveDiferente"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. The user has entered 'Carlos' as the first name, 'Ruiz' as the last name, and 'carlos1@test.com' as the email. The password field contains 'ClaveDiferente'. The confirmation password field also contains 'ClaveDiferente'. The 'Register' button is visible at the bottom of the form.

Paso 8: hace clic en el botón Registrar

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. The user has entered 'Carlos' as the first name, 'Ruiz' as the last name, and 'carlos1@test.com' as the email. The password field contains 'ClaveDiferente'. The confirmation password field contains 'ClaveDiferente', but there is a red error message below it stating 'The password and confirmation password do not match.' The 'Register' button is visible at the bottom of the form.

Paso 9: debería ver un error de coincidencia "The password and confirmation password do not match."

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. The user has entered 'Carlos' as the first name, 'Ruiz' as the last name, and 'carlos1@test.com' as the email. The password field contains 'ClaveDiferente'. The confirmation password field contains 'ClaveDiferente', but there is a red error message below it stating 'The password and confirmation password do not match.' The 'Register' button is visible at the bottom of the form.
