## ESCENARIO: Fallo al registrar con correos

## Paso 1: que el usuario está en la página de registro

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. In the 'Your Personal Details' section, there is a 'Gender' field with two options: 'Male' and 'Female'. The 'Male' option has a radio button next to it, while the 'Female' option has a checked radio button. Other fields in the form include 'First name', 'Last name', 'Email', 'Password', and 'Confirm password'. Below the form, there is a 'Register' button.

## Paso 2: el usuario hace clic en el radio "Female"

[PASSED]

The screenshot shows the same registration form as the previous one, but now the 'Female' radio button in the gender field is checked, while the 'Male' option is unselected. The other fields remain the same.

## Paso 3: el usuario ingresa su nombre "Maria"

[PASSED]

The screenshot shows the registration form again. This time, the 'First name' field contains the value 'Maria'. The 'Last name' field is empty. All other fields, including the gender selection, are identical to the previous screenshots.

Paso 4: el usuario ingresa su apellido "Lopez"

[FAILED]

The screenshot shows the registration form on the Demo Web Shop website. The user has entered 'Male' as gender, 'Maria' as first name, and 'lopez' as last name. In the 'Your Password' section, 'password' is entered in both the 'Password' and 'Confirm password' fields. A red asterisk next to the 'Confirm password' field indicates an error, indicating that the two password entries must match.

## ESCENARIO: Fallo cuando las contraseñas no coinciden

Paso 1: que el usuario está en la página de registro

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. The user has entered 'Male' as gender, 'Maria' as first name, and 'lopez' as last name. In the 'Your Password' section, 'password' is entered in both the 'Password' and 'Confirm password' fields. The 'Confirm password' field now contains 'password' instead of 'lopez', which matches the 'Password' field. The red asterisk next to the 'Confirm password' field is gone, indicating that the password has been successfully confirmed.

## Paso 2: el usuario hace clic en el radio "Male"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. In the 'Your Personal Details' section, the 'Gender' field has a radio button labeled 'Male' selected. Below it, there are fields for First name ('Carlos'), Last name (''), Email (''), and Password (''). The 'Register' button is visible at the bottom of the form.

## Paso 3: el usuario ingresa su nombre "Carlos"

[PASSED]

The screenshot shows the registration form on the Demo Web Shop website. The 'First name' field contains the value 'Carlos'. All other fields in the 'Your Personal Details' section are empty. The 'Register' button is visible at the bottom of the form.

## Paso 4: el usuario ingresa su apellido "Ruiz"

[FAILED]

The screenshot shows the registration form on the Demo Web Shop website. The 'Last name' field contains the value 'Ruiz'. All other fields in the 'Your Personal Details' section are empty. The 'Register' button is visible at the bottom of the form.
